**PACIFIC GAS AND ELECTRIC COMPANY
NOTICE OF *EX PARTE* COMMUNICATION**

Pursuant to Rule 8.4 of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) hereby gives notice of the following ex parte communication. The communication occurred on Wednesday, June 29, 2016 at 244 p.m. by electronic mail communication. [Rule 8.4(a)]

Darren Roach, Attorney, Law Department, PG&E, initiated the communication with Administrative Law Judge Anthony Colbert. [Rule 8.4(b)]

The content of the communication is attached as Exhibit A. Mr. Roach requested clarification of Decision 16-06-018, "*Interim Decision Adopting funding From July 1, 2016 to December 31, 2016 for the Large Investor-Owned Utilities' Energy Savings Assistance and California Alternate Rates for Energy Programs.*" Mr. Roach's communication included the following request:

The request is urgent as the Joint Utilities are seeking confirmation that 2016 is a fifth year in the current program cycle, meaning that utilities can (1) use authorized but currently unused funds from the January – June 2016 bridge funding period into the six month period from July 1 – December 31, 2016, and (2) continue to track expenses against the authorized budget for

the now authorized twelve month period, instead of tracking budget and expenses in separate six-month periods.

Two additional signatories to the electronic communication were Fadia Khoury, Director and Managing Attorney, Southern California Edison, and Jackson McNeill, Attorney, Southern California Gas and San Diego Gas and Electric Company.

Respectfully submitted:
